Ambassador Hotel  
Bangkok,  
Thailand

**Theme:**

Transforming Global Discoveries  
into Healing and Hope in Advancing  
Neuroscience & Psychiatry

# Invitation

Dear Attendees,

Scientifink is delighted to announce the upcoming “World Congress on Neuroscience & Psychiatry.” This highly anticipated event will take place on March 15&16, 2027 at the Ambassador Hotel Bangkok, Thailand.

Neuro Bangkok 2027 welcomes bright minds in this meeting to discuss the advancements and upgrades in the Neuroscience & Psychiatry. This meeting aims to create an environment of collaboration, engagement and a platform for all the researchers, analysts and industrialists to share their knowledge on progressive instrumentation in order to serve humankind. We are supporters of work-life balance, work from anywhere strategies and an adaptable work environment.

Best Regards,

**Neuro Bangkok 2027**

Scientifink Ltd.

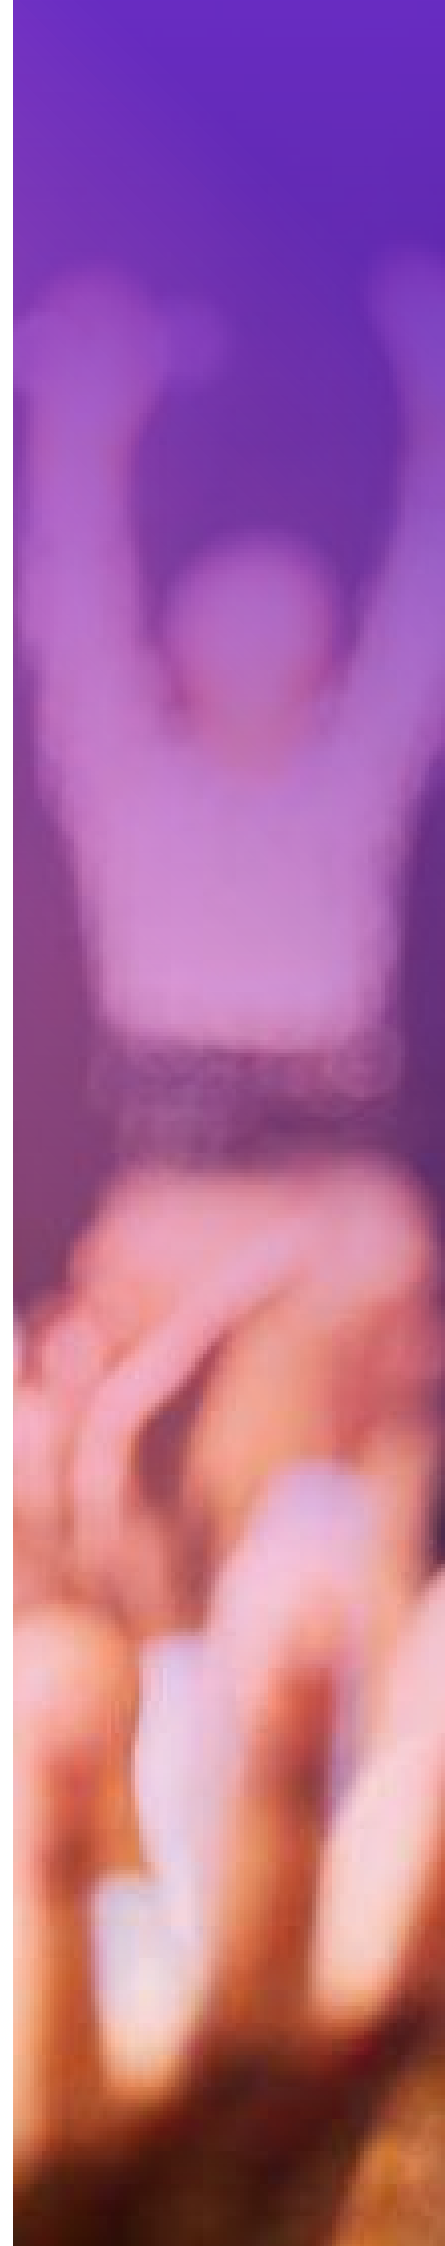

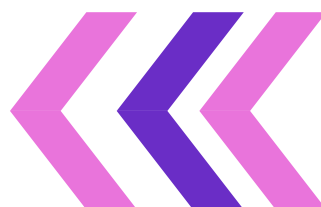

## About the Event

**Neuro Bangkok 2027** offers a valuable platform to connect, collaborate and exchange knowledge in the fields of Neurology and Neuroscience. This international conference will bring together leading neurologists, neurosurgeons, researchers, academicians, and healthcare professionals from around the world. Participants will have the opportunity to engage in keynote sessions, plenary talks, workshops, poster presentations and a young research forum, while also benefiting from dedicated networking sessions designed to encourage meaningful discussions and collaborations.

The conference will focus on the latest advancements, emerging trends and ongoing challenges in neurological science and clinical practice. Attendees will gain insights from globally recognized experts and explore innovative approaches to brain research, neurological disorders and patient care. In addition, Neuro Bangkok 2027 will feature an exhibition space for organizations to showcase their products, services and research innovations, making it a comprehensive platform for both academic and industry engagement.

*We hope you will take this opportunity to join us and experience the vibrant city of Bangkok, Thailand.*

# Reasons for Neuro Bangkok 2027

## For Organizing:

- **Professional Development:** Provides a platform for neurologists, neurosurgeons, and researchers to enhance their knowledge, clinical skills and professional growth.
- **Global Collaboration:** Encourages collaboration and knowledge exchange among international experts in neurology, neuroscience and brain research.
- **Innovation in Neuroscience:** Showcases the latest research, advanced technologies and innovative approaches in neurological science and clinical practice.
- **Addressing Emerging Challenges:** Focuses on current challenges such as neurodegenerative diseases, stroke management, mental health and the integration of AI in neuroscience.
- **Policy and Research Advancement:** Supports discussions on improving neurological care, research standards, and healthcare systems worldwide.

## For Attendees:

- **Networking Opportunities:** Connect with neurologists, neurosurgeons, researchers and global experts in neuroscience.
- **Presenting Research:** Share your research findings and gain valuable insights and feedback from leading professionals in the field.
- **Learning Best Practices:** Acquire practical knowledge and advanced clinical approaches to improve neurological care and patient outcomes.
- **Career Advancement:** Strengthen your professional profile and explore new opportunities through interactions with institutions, organizations and experts

- Neurosurgery
- Brain Injury
- Stroke and Trauma
- Neurochemistry
- Neuropharmacology
- Neuroendocrinology
- Neuroimaging
- Controversies in Neurology
- Advances in Neuroimaging Techniques
- Neuroplasticity and Neurorehabilitation
- Adult Neurogenesis and Cell Biology
- Ageing and Dementia, Alzheimer Diseases
- Psychiatry
- Psychology
- Mental Health & Disorder
- Clinical and Translational Neurology
- Neurological Disorders and Stroke
- Therapeutic Strategies for Neurodegenerative Diseases
- Neuroscience & Psychiatry Research
- Psychopharmacology and Psychotherapy
- Artificial Intelligence and Brain Research
- Pediatric Neurology
- Neuroscience and Artificial Intelligence
- Stroke & Epilepsy
- Stroke, Trauma, Anxiety, Depression and Sleep Disorders
- School Psychology & Educational Psychology
- Psychology, Cell & Molecular Biology
- Traumatic Brain Injury and Behavioral Neuroscience
- Alzheimer's, Dementia, Parkinson's Diseases

## About Thailand

Thailand is a vibrant and culturally rich country located in Southeast Asia, known for its warm hospitality, stunning landscapes and deep-rooted traditions. It is one of the most popular destinations in the world, offering a perfect blend of modern infrastructure and historical charm.

The capital city, Bangkok, is a dynamic metropolis famous for its bustling markets, world-class hotels and iconic landmarks such as Grand Palace and Wat Phra Kaew. The city serves as a major hub for international conferences and events, making it an ideal location for global gatherings.

Thailand is also renowned for its diverse cuisine, scenic beaches and cultural heritage. Visitors can experience everything from traditional Thai temples and festivals to modern shopping centers and vibrant nightlife. The country's well-developed transportation system and welcoming environment make travel convenient and enjoyable for international participants.

With its unique combination of tradition, innovation and global connectivity, Thailand provides an inspiring backdrop for academic exchange, networking and collaboration.

## Interesting Facts about Bangkok

Bangkok, the vibrant capital of Thailand, is one of the most dynamic cities in Southeast Asia, known for its perfect blend of modern living and rich cultural heritage. The city is famous for having one of the longest official names in the world and serves as a major global hub

## Facts about Malaysia

for tourism, business and international events.

The city is home to some of Thailand's most iconic landmarks, including magnificent temples and royal palaces that reflect its deep-rooted traditions and architectural brilliance. Bangkok's culture is deeply influenced by Buddhist practices and the traditional "wai" greeting symbolizes respect and hospitality among its people.

Bangkok is also renowned for its diverse cuisine, bustling street food culture and vibrant lifestyle. From lively markets to luxury shopping malls and scenic river views, the city offers a unique and memorable experience for visitors, making it an ideal destination for global gatherings and conferences.

- Company logo on all on-site signage
- An exclusive online Promotion on all our Social Networking Sites.
- Three inserts provided by the sponsor in the congress delegate bags

## Exhibitor Benefits

- Draped booth space of 3\*3 meters
- One conference passes & one booth personnel pass
- Web listing with link to your company website
- Publication of the exhibitor profile in the souvenir (1 A4 page)
- Logo recognition in the scientific program, Conference banner and flyer.
- One Presentation Slot about the organization.
- Advertisement Video on conference website

## Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Sponsorship powerfully influences audiences more than any other tool. It is a direct cost-effective way to capture your target market. Aside from valuable brand exposure throughout the event campaign and during the event itself, sponsorship is your route to addressing our audience with your knowledge and experience through our unique program of conference and learning sessions.

Our sponsorship packages are customized to our client's specifications. We understand that every business is unique and will work with you to develop a package that meets your business's individual goals and objectives.

## Why to Sponsor?

## Exhibitions allow you to advance all your marketing goals:

- Long-term building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnerships with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent
